## In Memoriam

We, the graduating class of 1963 of Milwaukee University School, dedicate our Academy Annual in memoriam to Mr. Ralph Jackson. As students, we were always assured of his lending a sympathetic ear to our problems and giving us the needed encouragement to continue our academic efforts. As colleagues, we relied upon his calmness in solving difficult situations and were bolstered by his bubbling enthusiasm for his field of teaching and for life in general. For many years to come, Mr. Jackson's sterling influence will be felt in the school to which 22 years of his life were dedicated.

Sleep.

The slough has just begun.

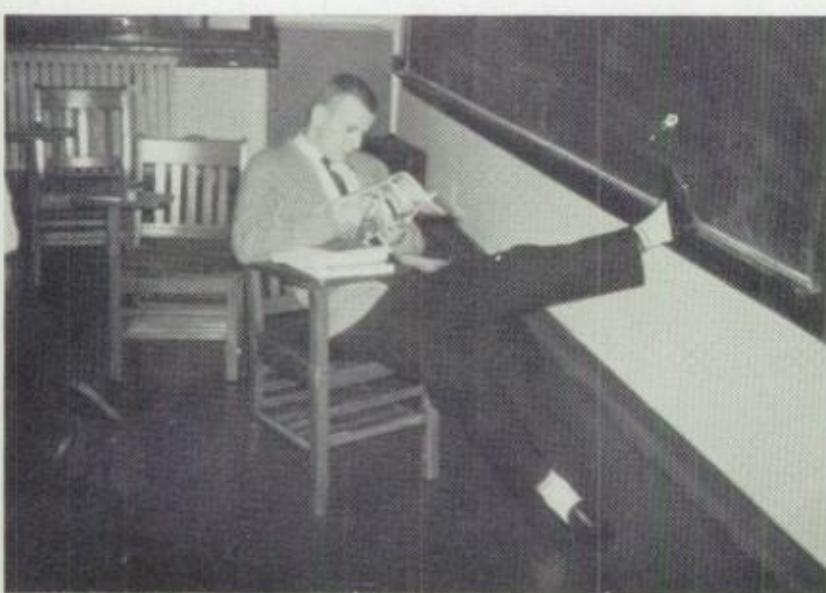

He'll be alright, Mr. Doelger — it's just his shoulder again.

Wanna make something of it, Krause?

Senior Party.

Playboy or Atlantic Monthly?

The Christmas Angel.

Obviously a posed shot.

Most happy fella!

Come dance with me!

Big John!

I'm telling you! You're not supposed to be in here!

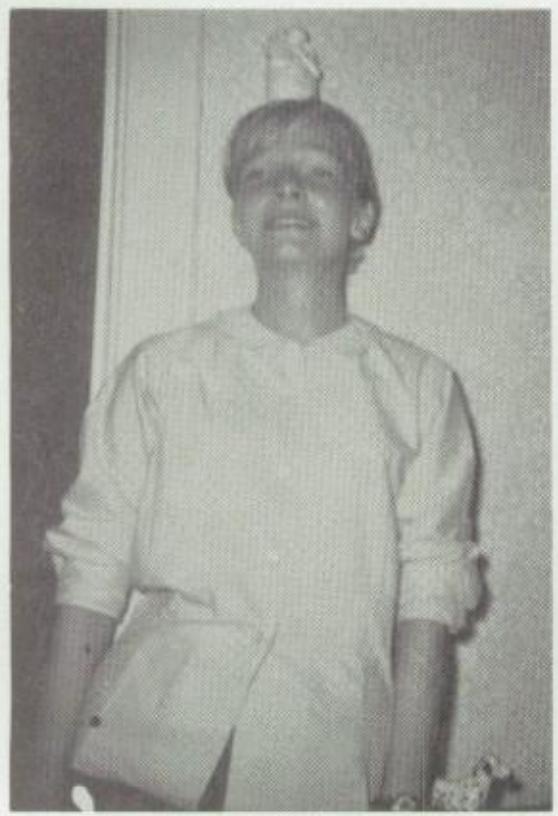

They look happy.

You mean there's a dance, too?

Hey, there's a funny little man up here!

There's a what on my head?

Get ready for the next bite.

Darling

Heh, heh, heh. . .

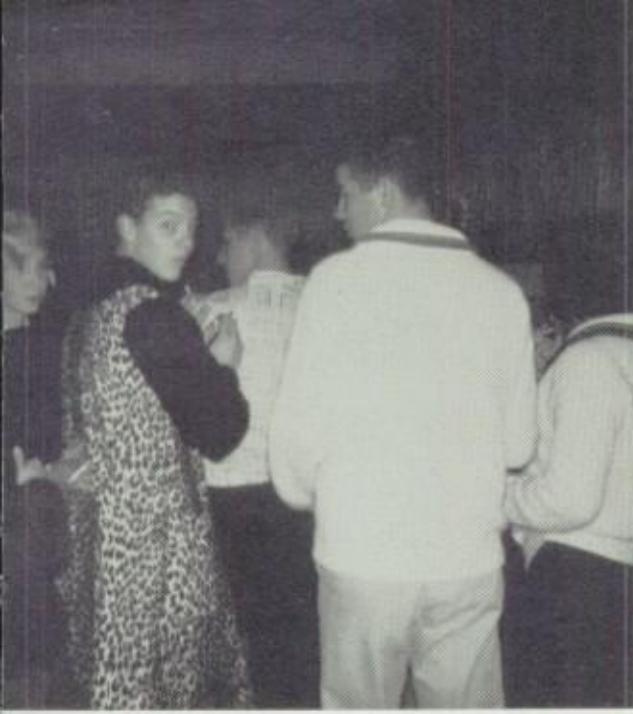

I never would believe that smoking stunted your growth.

If I cut it along its bi-lingual axis. . .

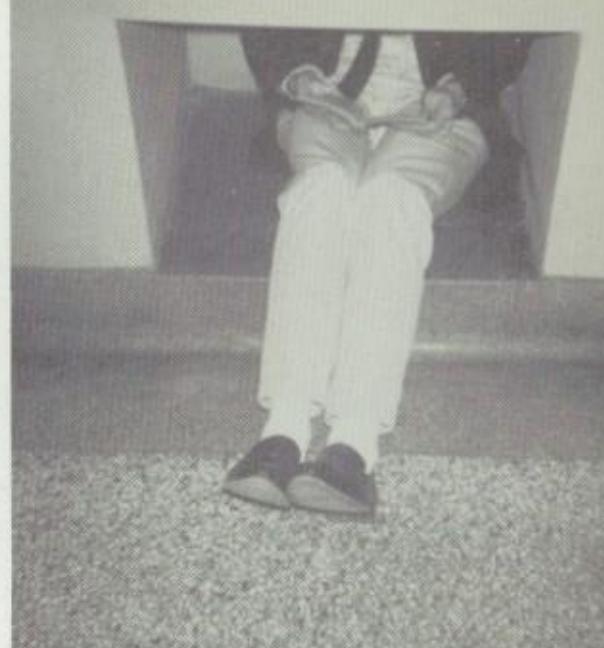

What's so funny about it?

Just waiting to be discovered.

The only quiet place in this school.

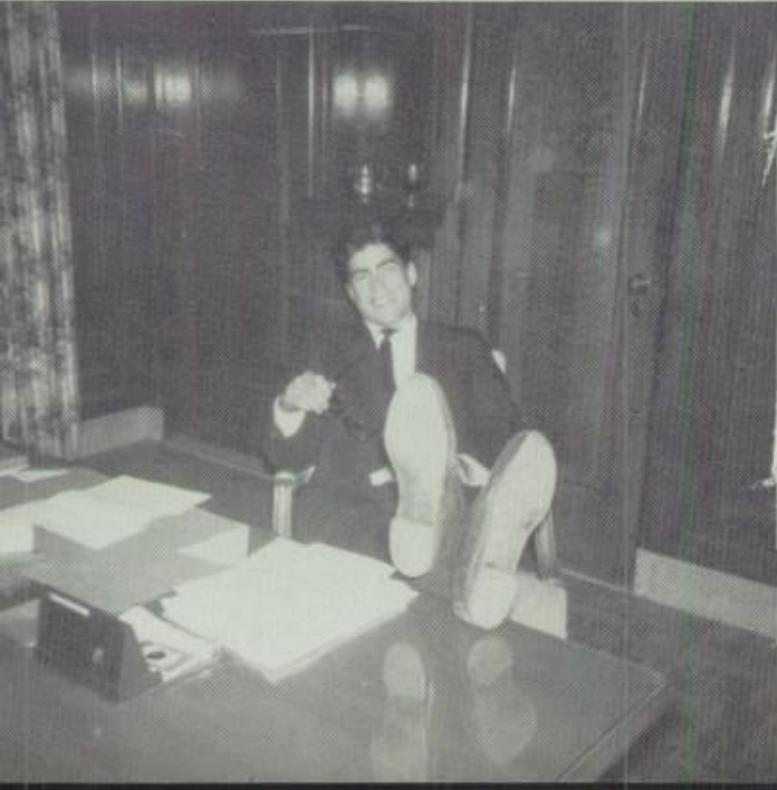

Now, Mr. P.

We like American food!

Are you sure it's milk?

Take your time Arnie, it's supposed to be a privilege.

Look, Ma! No cavities!

Why doesn't Hollywood want me?

"Moondog"

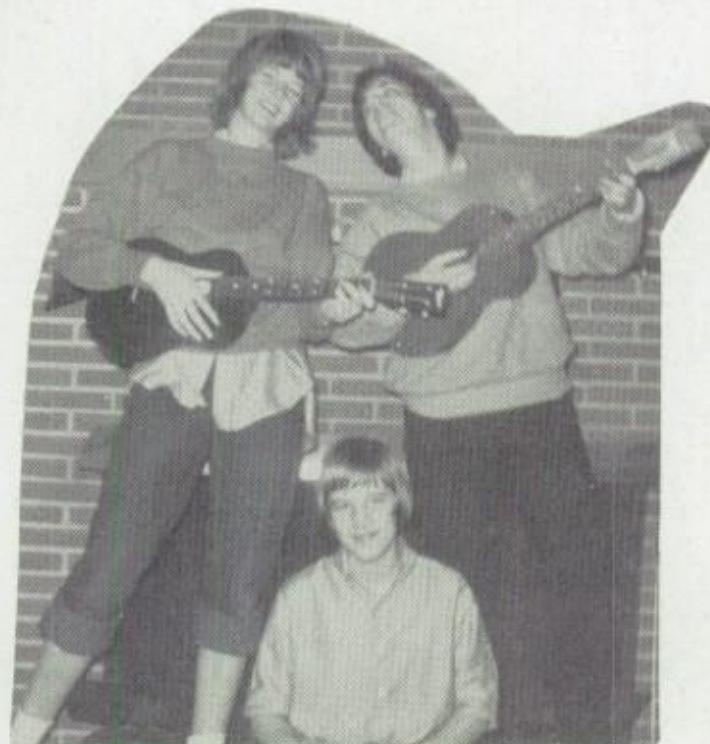

The Crypt-Kicker Three

We'll all go together when we go.

Are you sure this is how you play shuffleboard?

The ref beats his wife,

Smile when you say  
that, stranger.

"Follow the yellow brick road, tra la."

My psychiatrist has done  
wonders for me...

When headache strikes . . .

Ow, my innocent ears!

Nip the inhibitions in the bud!

I Beanie . . . you Cecil?

Here's a winner...

Blame it on the Bossa Nova...

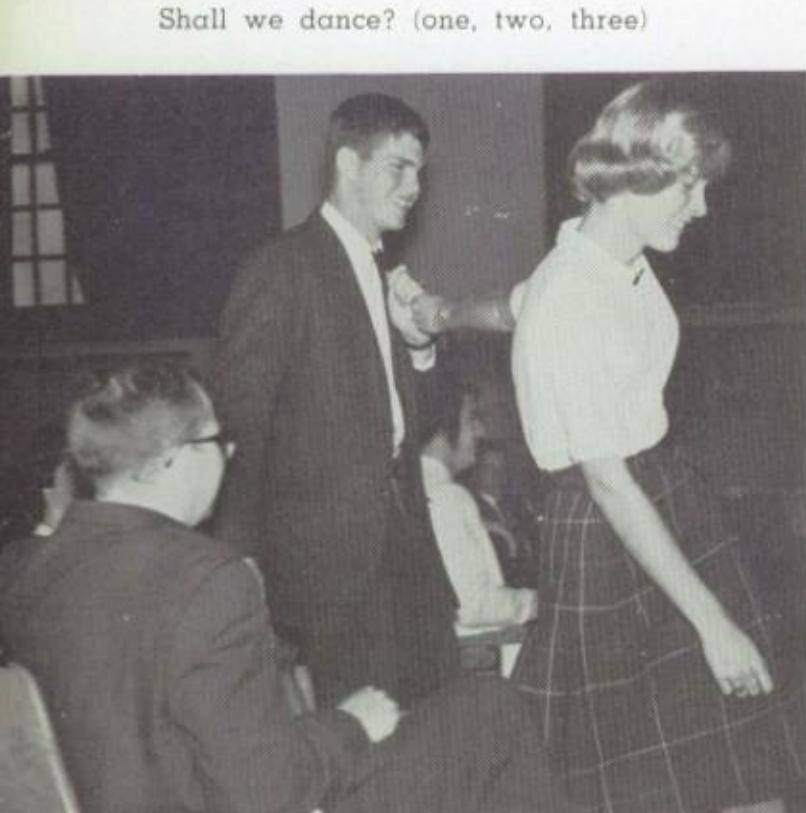

Mother, PLEASE, I'd rather do it myself!

Mmmmmmm, it's effervescent!

Should we, or shouldn't we?

This year the Academy has made a sincere effort to shun some of the conservative features of the past and to introduce characteristics new and different to the students at MUS.

Under the leadership of our Editor-in-Chief, Nancy Blank, and Mr. Bauman, Faculty Adviser, the yearbook has been based on quality of content. More attention has been given to the pictures and copy in terms of a fresher and more variable ap-

proach to the overall layout of the book. The faculty has been photographed in departmental groups and considerably more space has been provided for the departing seniors. There are virtually no individual athletic shots this year, with the editors focusing their attention on exciting action photos of the games. Certainly it represents the product of many months of careful and thoughtful planning. We of the Academy would like to take this opportunity to thank all those whose contributions have made this publication possible. We hope that it is a mere step toward the completion of better annuals in the coming years.

## ACADEMY MONTHLY

The Academy Monthly is the student newspaper written entirely by the students on the Academy staff. The staff is composed of anyone in the school who feels he would like to put an article in the paper. After the articles are submitted, the editors, Pam Seay and Joan Epstein, and the faculty adviser, Mrs. Hill, assemble the newspaper, proof-read the articles, and deliver the paper to the printer. The Academy puts out about 8 issues a year.

## KIT AT!

Kitty Harding has been accepted on early admissions to Connecticut College for Women.

Kitty is the second student in the senior class to be accepted for early admissions.

The rest of the senior class will have to wait until spring time to receive their acceptances.

#### CHORUS

This year the chorus has made great strides in improving the overall program and interest shown by the members. Our new music instructor, Mr. Robert Brown, has been a real inspiration to his singers, not only through his fine conducting technique but also through his varied musical repertoire. We have witnessed some good performances this year in the morning assembly, Thanksgiving and Christmas programs and, of course, the Music Festival in the spring. A rather unique experience was enjoyed recently with the appearance of the chorus on a local television station and we were all very proud of their performance.

In addition to the rather select group in the chorus itself, there is also a male quartet and a thirty-six member choral group from the fourth, fifth and sixth grades. The harmonious strains of classical as well as spiritual and popular music have been truly sweet music in the air.

*Standing:* Bruce Smith, Peggy Wittenberg, Dick Ertel, Dick Rostad

Led by President Jock Russell, representatives of the student body, chosen by their respective forms, meet each week and make plans for coming school events. These include dances after basketball or football games and assembly programs. This year we had a movie on community welfare organizations and musicians from the Milwaukee Symphony performed for us. Supporting a Greek boy has been another activity which the Student Council has taken on. Some of the representatives are monitors of the honor roll study hall. The main purpose for having a Student Council is to have representatives of the student body who would be able to voice their classmates' opinions and clear up any problems which might arise.

## BOOSTER CLUB

The Booster Club successfully completed another year of supplying spirit to all Lancer athletic events. They presented skits and songs, sold Lancer hats at Homecoming, sponsored buses to out-of-town games, organized a terrific Homecoming parade, and awarded the float trophy to the much deserving Class of '64. Besides providing pep at games and in assemblies, the club also gave funds to various charities and helped present the Mother-Daughter Athletic Luncheon in June.

## GIRLS' CLUB

Under the guidance of the Dean of Women, Mrs. Goodspeed, and the president, Julie Hume, the Girls' Club had a terrific year.

The social season began with an Ice-Breaker Party and followed with the Homecoming Dance. Next was the Christmas Caroling Party which included a pot-luck supper and an evening of caroling at hospitals and old-age homes in the vicinity. In a special assembly at Christmastime the faculty members were presented with corsages or boutonnieres accompanied with samples of home-made poetry. After the holiday season, the Mother-Daughter Tea was given in cooperation with the Women's Service Club. Soon after the tea, the annual Father-Daughter Square Dance was held.

Several other activities were undertaken during the course of the year: taffy apple and bake sales, donations to the Community Fund and to a needy family at Thanksgiving and Christmas, and Mr. Parker's birthday celebration.

### GIRLS' ATHLETICS

Blue-White and varsity sports are planned and directed by Miss Marsh and the Girls' Athletic Council.

Blue-White: An extra-curricular sports program in which all senior high school girls participate. The program includes seasonal activities in hockey, basketball, volleyball, swimming, and soccer. To win a season, a team must win 3 out of 5 games in hockey, 5 out of 7 games in basketball, a total of 6 games in volleyball, and it must accumulate the highest total of points in the one swimming meet. The team that wins the annual swimming meet is presented the Frank S. Speigner Swimming Trophy, and the team that is the overall victor for the year's events is awarded the Blue-White Trophy. The highlight of Blue-White this year was the All-Star game which ended the basketball season and found the Blue team victorious by a score of 16 to 9. At the closing of the school year the Mother-Daughter Luncheon is held and a Sports-

manship Trophy is presented to the high school senior who has exemplified the highest ideals of sportsmanship and fair play throughout her high school years.

Varsity: MUS has girls' varsity teams in two sports, hockey and basketball, with an A Team and a B Team for each. The hockey team practiced faithfully after school and on Saturday mornings under the leadership of Pauli Mayer, A Team captain, and Sallie Gilbert, B Team captain. The teams played Ferry Hall, Kemper Hall, ULS, Wayland, and their traditional rival, Downer. Following hockey came basketball. Teams were chosen, and Pam Hunn was elected captain of the A Team with Laurie Mitchell being elected B Team captain. The girls were not able to play as many varsity games as in previous years, although they did get to play Wayland and Downer. The "Amazons" were full of spirit and enthusiasm in all their contests, and both seasons held good times for all who participated.

## In Memoriam

### MICHAEL BUGBY

Words cannot adequately express our grief over the loss of a student like Mike, who was so much a part of the MUS family. He truly represented the well-rounded student who excelled in the classroom and on the athletic field and he enjoyed great popularity among the other students. We shall never forget him.

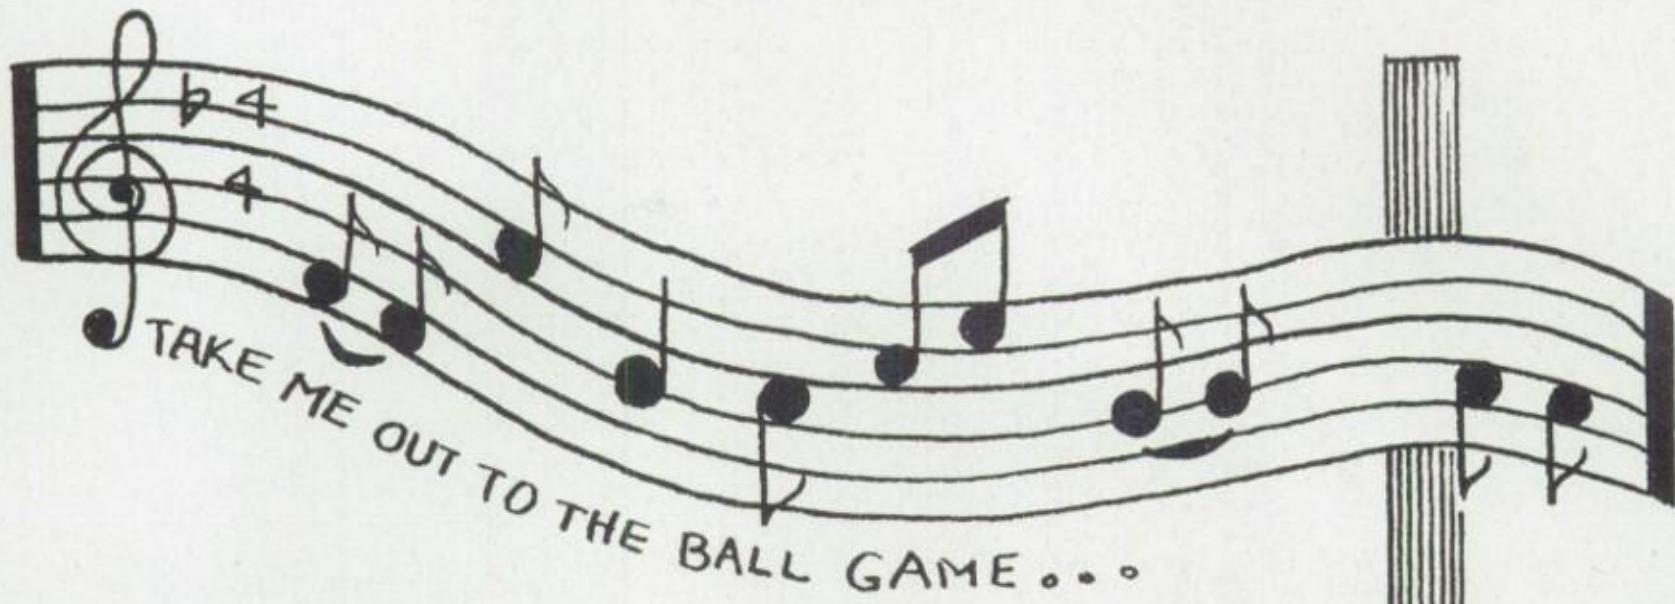

### NAOMI DAX

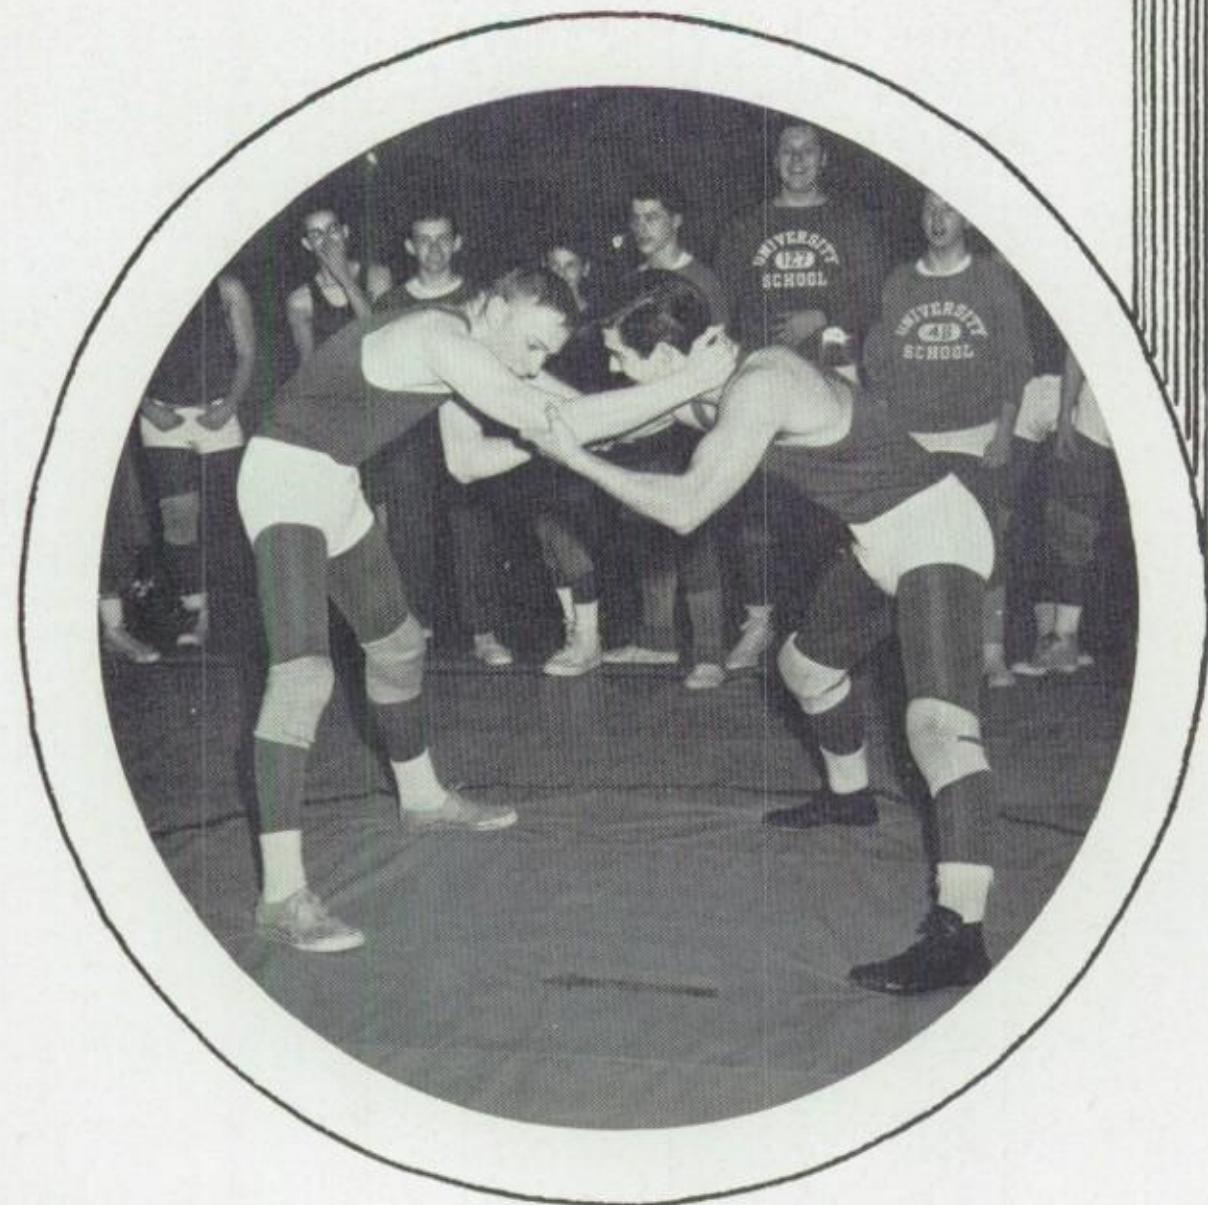

As we moved along the cafeteria line each day, each of us was impressed with the gracious service and affable personality of Mrs. Dax. With these words, we regretfully acknowledge her unfortunate death and departure from our midst.

### HARRY SLINGSBY

A tradition is a most difficult thing to establish anywhere, but certainly Harry Slingsby had become a "tradition" to the entire MUS faculty and student body. A generous monetary gift during his illness was only a token acknowledgment for our genuine esteem and liking for Harry. His absence will long be felt.

Milwaukee University School's football team of 1962, led by Captain Pete Doelger and coached by Head Coach Boese and Assistant Coach Kerr, commenced its somewhat dismal season with a rugged week at football camp — climaxed by the Alumni scrimmage which seemed to some comparable to Sisyphean labor.

The Lancers with a core of only six returning lettermen opened the season in a non-conference battle with Wheaton Academy at Wheaton Illinois, which ended in a 27-13 victory for Wheaton. The dislocation of Captain Pete Doelger's shoulder seemed to be a pertinent factor in the first loss for the young ball club.

The following week, in high spirits, the team looked forward to its first conference game against Wayland Academy. Wayland's Redmen proved to be as rugged and tough as in past years but not tough enough to bottle up M.U.S.'s star halfback, Rick Foss, who took a 29 yard pass from quarterback Tom Wegmann for a first quarter touchdown. A 6-0 score accompanied the Lancers to their lockerroom at half-time. When play resumed, possession of the ball changed hands frequently. With only 26 seconds left in the game and the score tied 6-6, the Weg-

mann-Foss combination clicked for the second time resulting in a 12-6 Lancer victory — hard-fought and well-earned.

The Lancers lost their next two games — 19-6 to a strong Northwestern Preps squad and 45-0 to Milwaukee Lutheran, who went on to be undefeated Conference Champions.

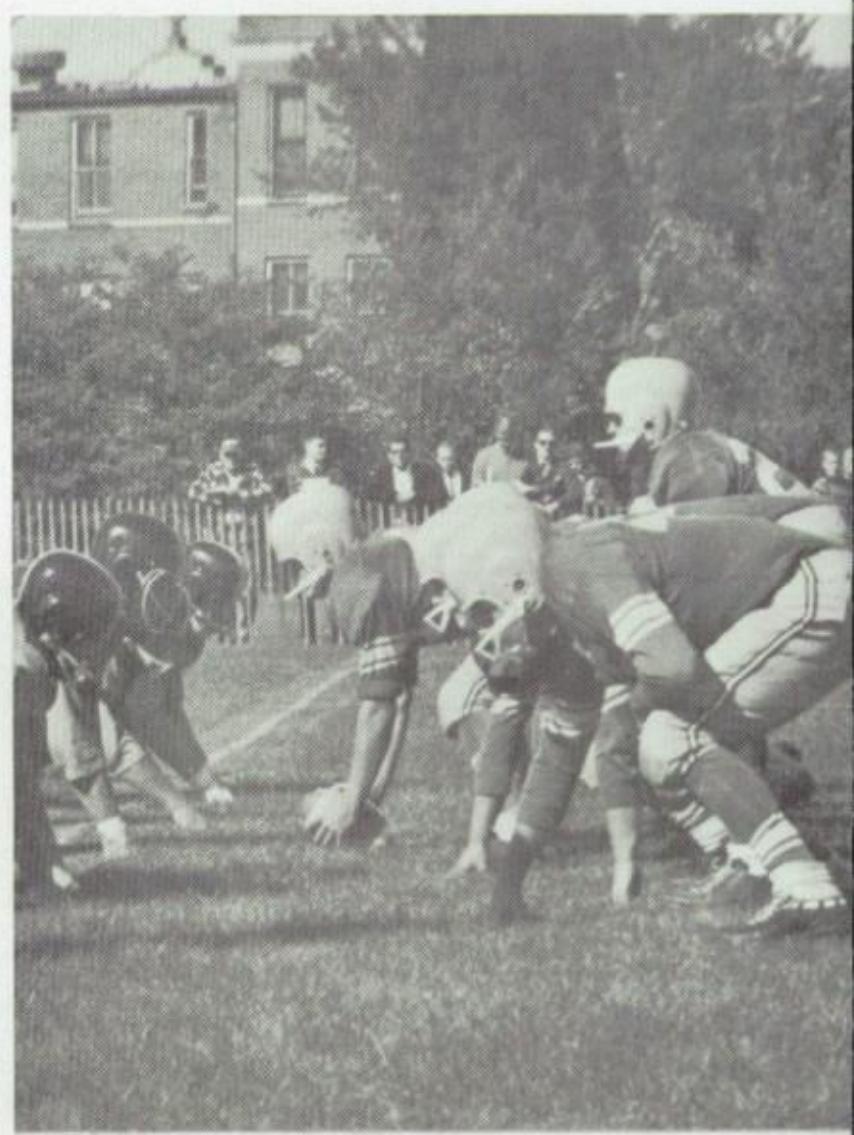

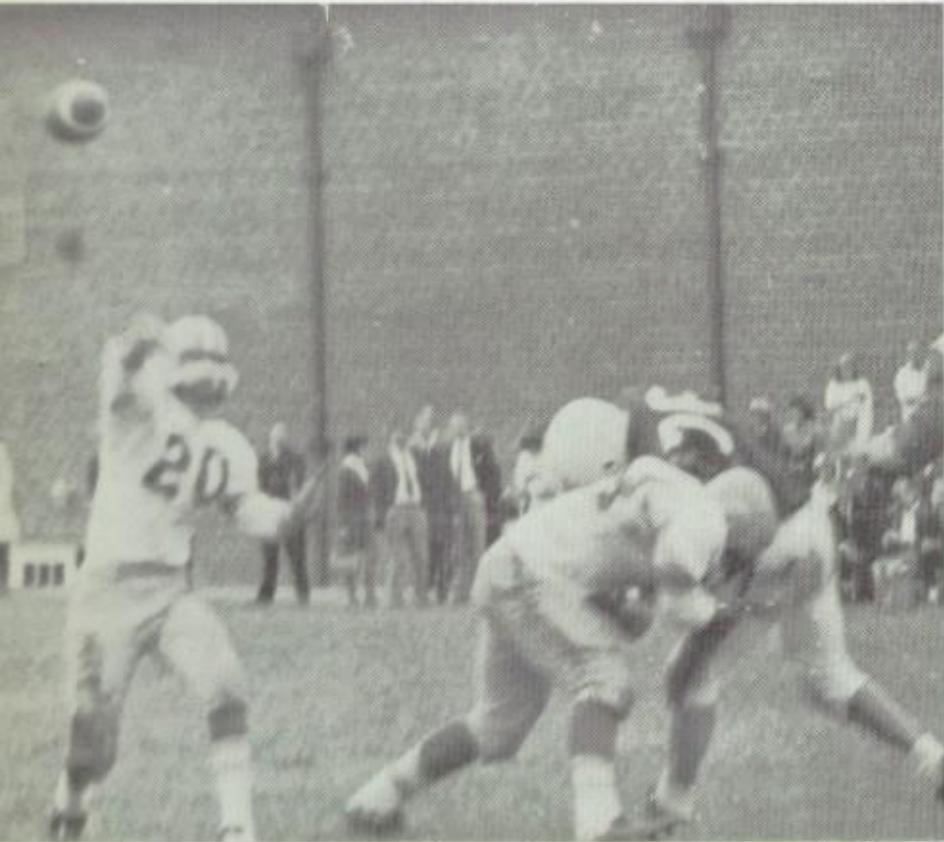

Rainy weather couldn't quite put a damper on the Homecoming spirit of the team or crowd. Despite the fact that after the first quarter the player's numbers were illegible, the crowd cheered the team to a 13-0 victory.

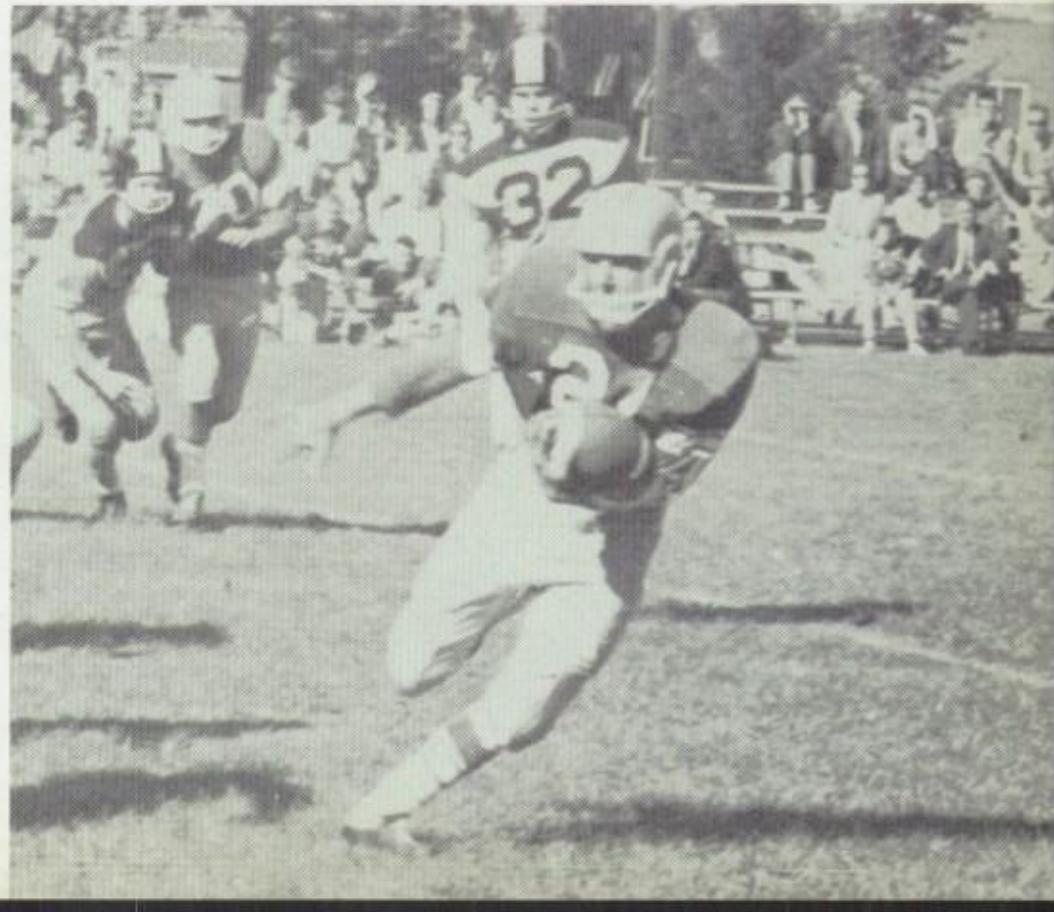

A week after the Lancers' 33-13 loss to Racine Lutheran, the traditional Country Day game was held. This hard-fought game ended in a 40-13 victory for Country Day.

Costly injuries, varying from torn ligaments to broken bones, and an extremely young ball club could possibly be responsible for the unimpressive 2-5 conference record.

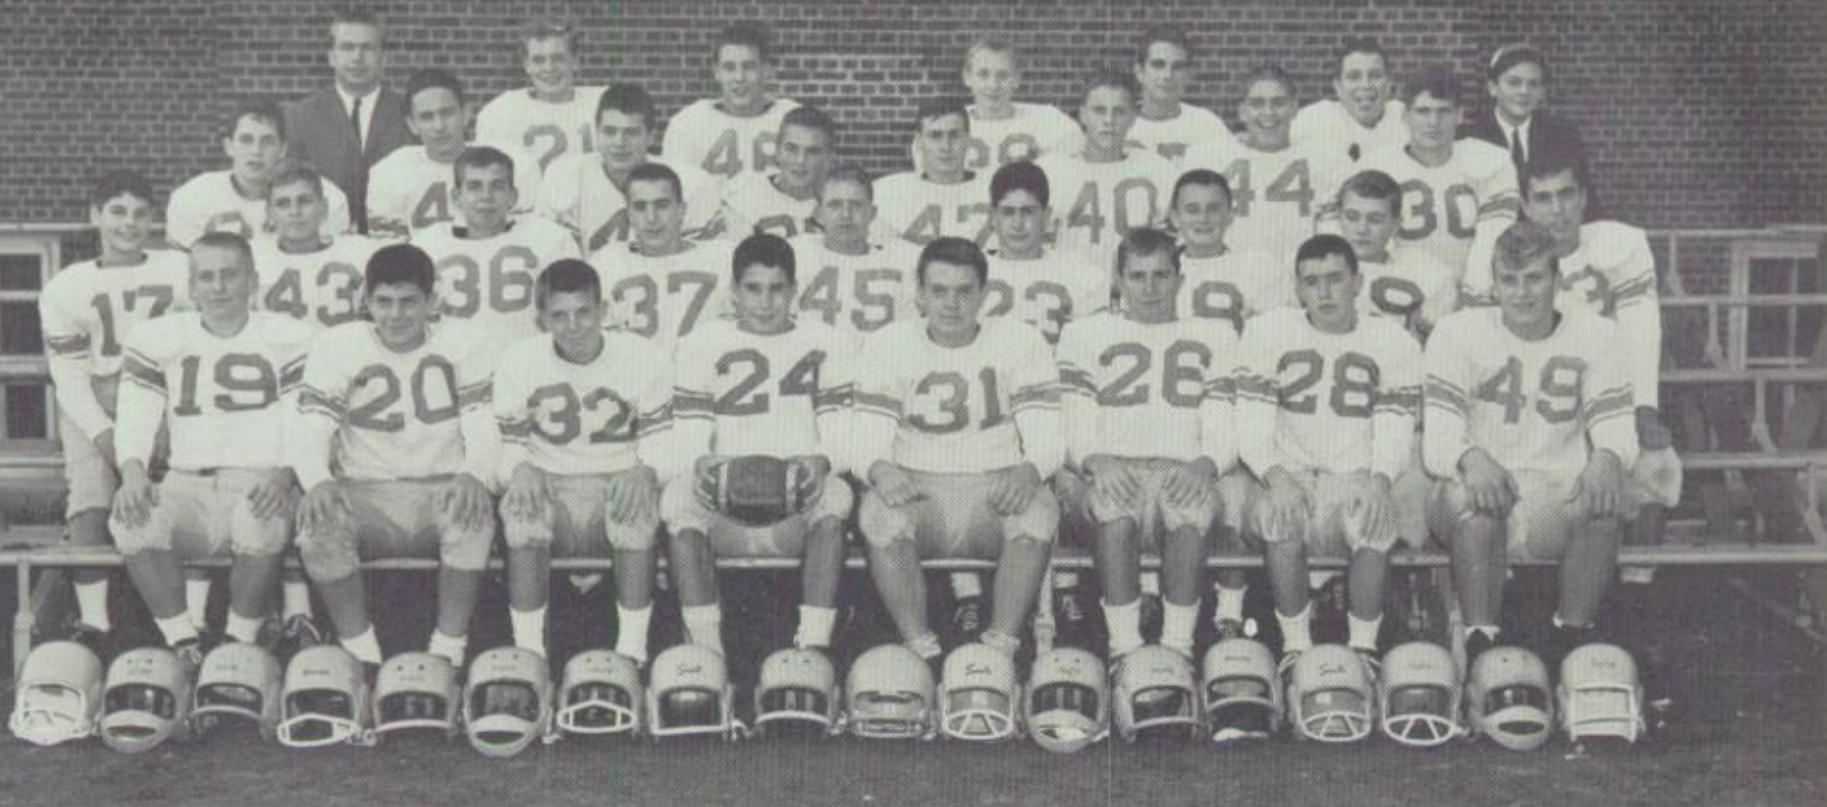

Ric Foss was further distinguished by being selected as a second-team, All-Conference back.

John Hillman and Bob Krumme were elected co-captains of the '63 squad.

## VARSITY BASKETBALL

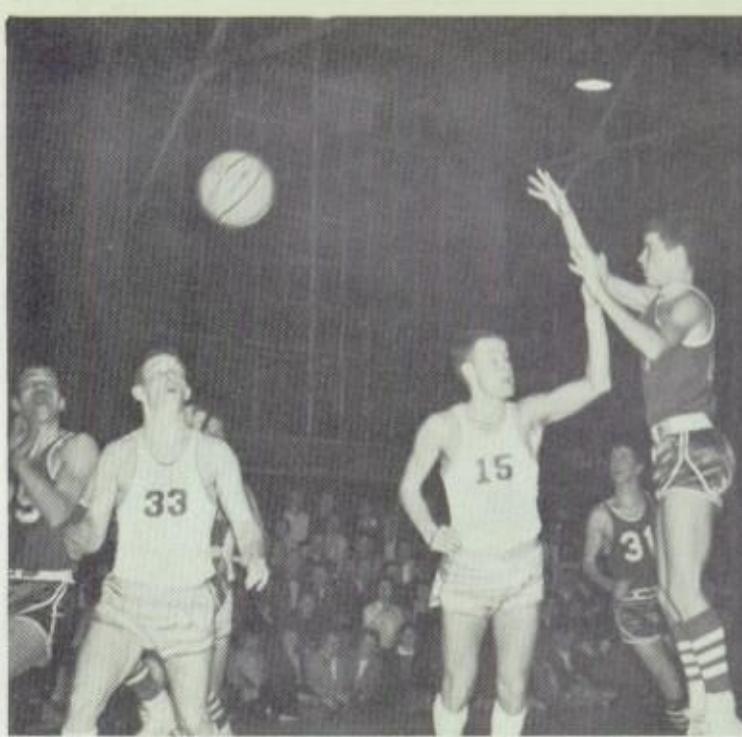

The Varsity Basketball team enjoyed a good season in having an 8-11 record. The team was led by three veteran seniors: Captain Tom Jung at forward, Bob Anderson at center, and Ric Foss at guard. The rest of the twelve-man team was made up of Sophomores and Juniors, leaving Coach Jerry Gottowski with a good nucleus for the 1963-64 season.

The Lancers of M.U.S. started out the season by losing a non-conference tilt to Cedarburg. After regaining their confidence, M.U.S. went on to win their next three out of four conference starts, beating Wisconsin Lutheran, Lake Forest Academy, and Racine Lutheran, while only dropping a 45-44 decision to Northwestern Preps. The next two games with Milwaukee Lutheran and Wayland Academy leveled the Lancers to a 3-3 record. The final game before the semester exam break was with our traditional rival, Country Day. Here the Lancers literally outlasted the Cougars by finally taking a 54-53 decision that lasted two extra periods of overtime. As soon as the semester break was over, the M.U.S. team dropped two games to Wisconsin Lutheran and Northwestern Preps before beating Wheaton Academy in a non-conference game and Lake Forest Academy in the second meeting of the year. After dropping three straight games to Milwaukee Lutheran, Racine Lutheran, and Wayland Academy, the Lancers still had enough confidence to knock Country Day off by a score of 56-53 for the season's finale.

In the Conference Tournament the Lancers placed sixth, losing to Milwaukee Lutheran in their first game Friday afternoon, beating Lake Forest Saturday morning, and losing in the consolation final Saturday night to Racine Lutheran. The Lancers truly enjoyed a good season and are hoping for an even better one in 1964.

## SWIMMING

The swimming team, led by Captain Al Martin, struggled to win throughout the entire season. Their big problem was a lack of experienced swimmers. Many good individual performances were turned in during the year. John French came close to bettering the 40 yard freestyle record, a record which has stood since 1937. Ken Candee and Tom Ertel fought for a first in the toughest race, the 200 yard individual medley. Ken also smashed his own record which he set last year in the 400 yard freestyle. Many other times improved over last year and should continue to come down. This year was a year of building for the future. All the letter winners, with the exception of one senior, will be back next year. The future

of the swimming team, under Captain-elect Tim Hoelter, looks good.

Jock Russell, Steve Mortonson (co-captains).

This year's Wrestling Team under the grueling coaching of Mr. Kerr was led to its best season ever of 4 wins and 6 losses by co-captains Jock Russell and Steve Mortonson. These two "musselman" also helped to keep morale high by leading the team in "song?" The year started off and finished well with the grapplers defeating Country Day both times.

The team finished their regular season by placing fifth in the conference tournament on February 23 and were fortunate to have Doug Hamilton take the championship and Jock Russell a third place in their respective weight classes.

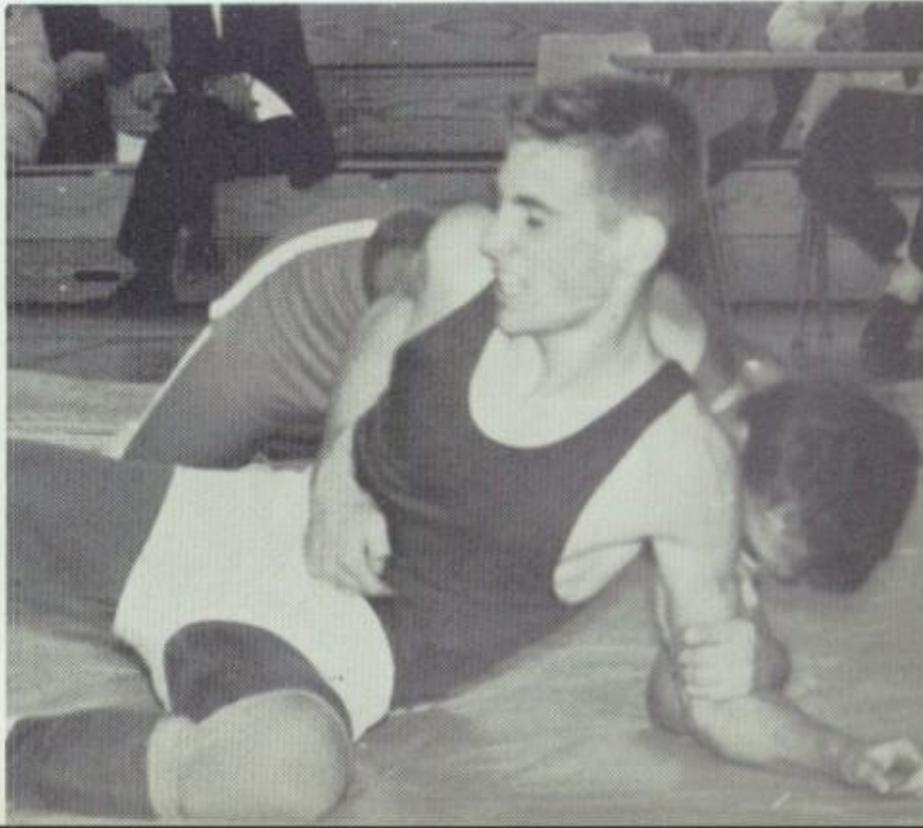

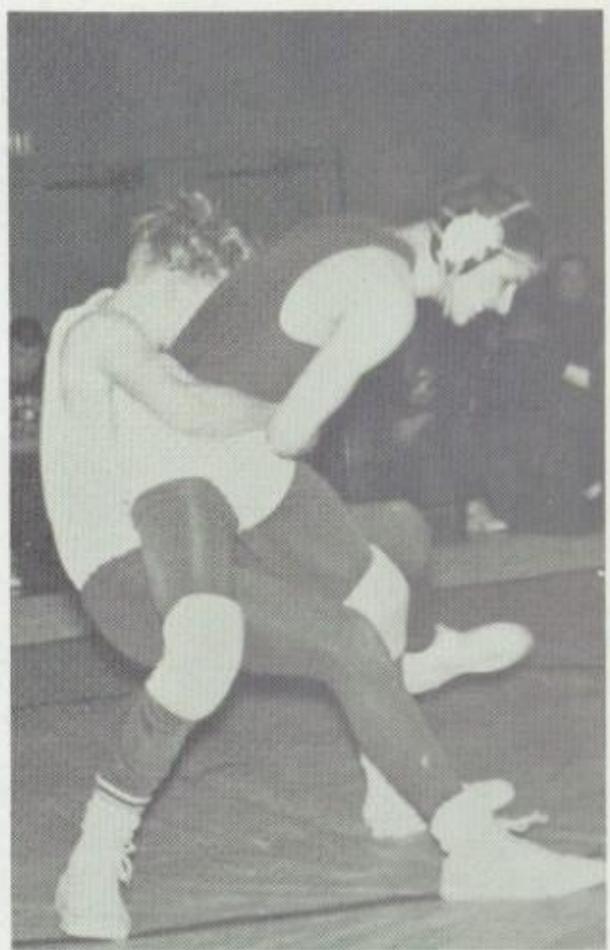

This year, although the regular season had ended after the conference tournament, the team vigorously trained an extra week in preparation for the Northwestern Military and Naval Academy Invitational Wrestling Tournament on the second of March. The extra work was well worth while, for that day the team brought home their first trophy signifying their tie for second place with St. John's. And again the team was fortunate in having Doug Hamilton and Doug Maxwell place first, with John Tuteur, Jock Russell, and Dick Nelson right behind them in second place, and Steve Mortonson and John Soper in third place.

The varsity track team won 6 and lost 3 dual meets last year for one of their better seasons in the last ten years. The track team also placed third in the Country Day Relays and fourth in the Midwest Prep Conference Meet, also held at M.C.D.

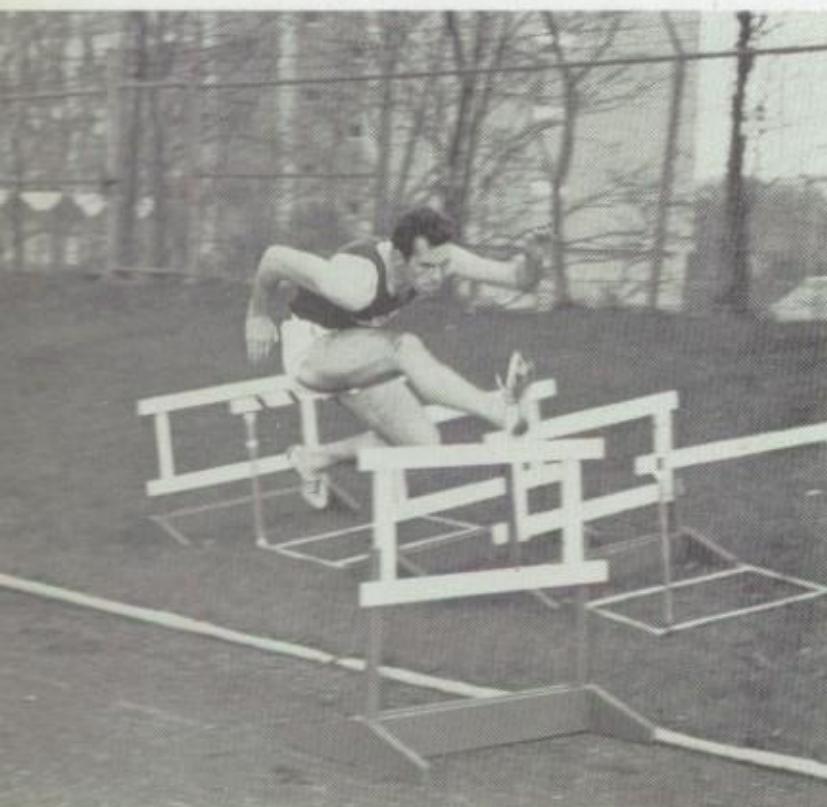

This year's track team, under the able coaching of Mr. Kerr and Mr. Tupta, shows great potential for an undefeated year. The five returning lettermen provide a good nucleus in captain Rick Foss, Chuck Munkwitz,

Digby Fodden, John Hillmann and Peter Doelger. These boys will provide the leadership and devotion that will make MUS's track team a great one.

Last year two records fell, one in the mile by Dave Rubner and the other in the 180-yard low hurdles by Rick Foss. This year 5 records which have held for ten years will be in danger of being broken. Ole Skarstein, our foreign exchange student from Norway, is expected to break the 100- and 220-yard dashes; Digby Fodden is hopeful to break the mile or  $\frac{1}{2}$  record; John Hillmann is out to break the record in the 180-yard hurdles; and captain Rick Foss is after the pole vault record that has held since 1959.

The varsity track team's first meet was with Lake Forest Academy and the meet ended in a Lancer victory: 58-55. Two records fell in the meet. Ole Skarstein broke Dick Seefeld's record in the high hurdles of 17.4 by doing them in 16.5. The second record was John Hillmann's low hurdle mark of 22.35, which broke Rick Foss's record of 22.4.

The team looked very strong with good depth, and no doubt will continue improving as the year progresses.

The Tennis Team this spring has had a major task in attempting to rebuild itself into a formidable outfit. The hard core of last year's squad has since then departed and Coach Guttowske was confronted with a good deal of shuffling to present the team most effectively. A newcomer this year is freshman Harry Kaminski, who has been holding down the number one spot, followed by Bob Anderson and Bob Harl and in the singles, Matt Jung, Hugh Stone and Bob Schley are the regulars in doubles competition, with the final doubles position up for grabs.

After an initial loss to Marquette High, the netmen came back to win from Wisconsin Lutheran and a strong Lake Forest squad. In the latter match, almost without exception, the competition went into three sets and our boys had to come from behind to win 4-1. More recently, MUS split two matches with Wayland Academy as Kaminski, Harland, and the Stone-Jung combination clicked to edge the Redmen in the last match, 3-2. With a little more consistency the tennis team might well go on to become a real threat in the conference.

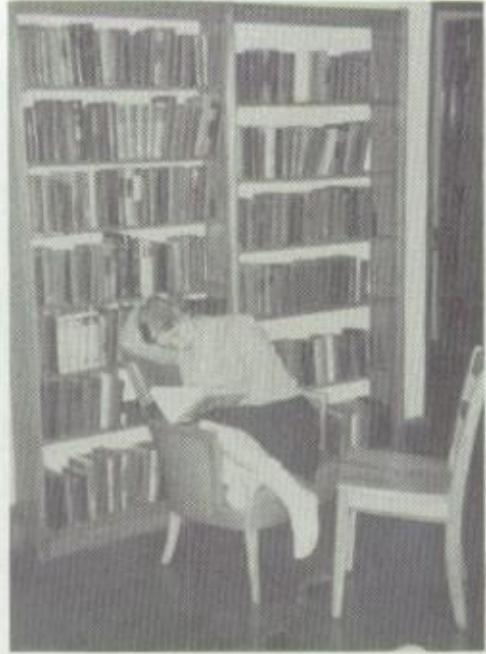

## GOLF

The golf team of 1963 anxiously awaited the start of the new season. Under the coaching of Mr. Sudduth, the squad looked forward to five matches and one major tournament. The St. John's tournament was the highlight of the season, along with two matches each with Milwaukee Lutheran and Wisconsin Lutheran, and a trip to Wayland providing the rest of the opposition. Veterans Tom Jung, Tom Thorning and Sandy Cutler, returned to lead the squad which was bolstered by several other new members.

Mr. Sudduth, Will Peters, Al Martin, Sandy Cutler, Tom Thorning, Tom Jung, John Hafey.

## HOOME COMING

Our Foreign Friends

What's the cape?

11:00 A.M.—All the floats having been lugged from their various shelters (Harding's, Jones's, Neymeyers', and Van Heusen's) were assembled in front of school for the glorious '62 Homecoming Parade. There was only one problem, the rain. However, both the floats and the victorious frosh-soph team survived the mud.—2:00 P.M.—The time for the big 'wet' game, with Lancer hats and soggy confetti, was at hand. The long battle resulted in the Lancers crushing the Foresters.—3:00-8:00 P.M.—Dee Robb and the Starliners commenced the Bermuda Ball.—9:30 P.M.—The students begged a speech from Mr. Kerr, Mr. Tupta, and Mr. Boese, and also heard a surprising drum solo from Mr. Brown.—11:00 P.M.—Good Night Freshman was sung and at—12:00 P.M.—the gym was cleared and the exciting Homecoming Day was over.

## THE FOLLIES

The MUS Follies of 1962 was presented on November 15, 16, and 17. Students, faculty members, and alumni worked hand in hand for three weeks prior to opening night. Under the direction of William Letters of New York, the show began to take shape as the rehearsals passed by. When opening night finally arrived, a capacity house viewed a polished performance which included comic, musical, and dance numbers. The following two evenings were equally successful as the auditorium was completely filled on both occasions.

The Follies can be regarded as a wonderful success, not only because of attendance, but also because of a substantial increase in the Milwaukee University School Scholarship Fund. The Fund was the prime reason for the presentation of the Follies, as the proceeds are used to provide scholarships for future MUS students. Aside from the money raised for the fund, the enjoyment and good times which were shared by everyone were well worth the effort.

#### THANKSGIVING PROGRAM

—With the autumnal harvest scene in the background, Mr. Brown leads a group of the lower school in some of the traditional songs of Thanksgiving as a part of the annual program.

#### THANKSGIVING AND CHRISTMAS

CHRISTMAS PROGRAM — Just prior to the Christmas vacation, the annual Yuletide program is staged by the students through word and song. The choristers to the right open the program with festive singing, and the colorful mural in the background aptly sets the mood of Christmastide.

The picture to the left shows the nativity scene which brings to a close a memorable event in the school year!

## JUNIOR PROM

May 11 finally arrived after much preparation by the juniors and much anticipation by the whole school. The '63 prom was a beautiful "Shangri-La", complete with hand-made Japanese screens, bright lanterns strung across the gym, a fierce volcano and the traditional (Kleenex) flowered trees. Music was provided by Tommy Sheridan, whose group played jazz on an elevated bandstand with an authentic moat bubbling dry ice.

Our Mr. Brown more than matched his homecoming performance with several minutes of drumming and a personal arrangement of "A Foggy Day in London Town".

There was no set mode of dress this year. Girls wore everything from floor length formals to evening suits. Tuxes of every color, madras and plaid were worn by the boys. The effect of the Japanese setting and handsome couples were excellent; the '63 prom will be remembered as a fantastic evening.

## DRAMA

The Drama Dept., under the direction of Miss Lumpkin, staged the melodrama, Egad What A Cad, during a school assembly and for Open House in April. The students cheered for the manly Jack Olson, when he rescued the sweet Judy Jones from villainous Rick Foss. A policewomen, Pattie Mower, and her gun saved the day. Mimi Jones played the sloppy maid in the home of the haughty Graystones, Jackie Boynton and Bob Bell. Plans for a mystery drama are being made.

A revolution is taking place which will leave the people dependent on the government. . . . Finding markets will develop into fixing prices and finding employment will develop into fixing wages. The next step will be to furnish markets and employment, or in default, pay a bounty and dole. Those who look with apprehension on these tendencies do not lack humanity, but are influenced by the belief that the result of such measures will be to deprive the people of character and liberty.
